**RE: TerraBurst Trenchless Sewer and Water
#8, 918 – 16 Avenue NW
Calgary, AB T2M 0K3**

I am happy to provide a reference letter for TerraBurst, who completed an installation at Strathcona Tweedsmuir School in 2021/22.

The installation crew were hard-working, knowledgeable, efficient, reliable and professional. They were respectful to the surroundings, easy to deal with, and we were impressed with their innovative technology which had a minimal impact on the surrounding infrastructure. In addition, upon completion of the project, the crew cleaned the worksite and surrounding area very well. We also found them to be very cost-effective overall.

I would highly recommend TerraBurst for any underground projects that may arise.

Should you require any additional information, please feel free to contact me.

Sincerely,

Zane Taylor
